

What to Wear to Camp

What should campers wear?

1. Active Water Wear
 - Tshirt, Shorts or Bathing Suit, Proper Water Shoes (sandals, keens, chacos, old tennis shoes)
 - PLEASE do not send your camper in flip flops!
2. Hat
3. Sunglasses (optional)
4. SUNSCREEN!!

What to Bring to Camp

Equipment

Virginia Outside will provide all kayaks, rods/tackle/ bait, etc. However, we certainly encourage those campers with their own rods/reels and tackle to bring them along.

What should campers bring with them?

1. Lunch and an extra snack! (please do not pack in paper bags)
2. Backpack to hold ALL of their belongings
3. Dry Bag (for belongings when they are on the water)(optional)
4. Water bottle (preferably reusable)
5. Towel
6. Change of clothes
7. Weather appropriate gear (ex: rain jacket)

We will kayak rain or shine as long as conditions remain safe, so please send your camper prepared for the weather

We will have plenty of sunscreen, but we do recommend campers put on sunscreen before they are dropped off (30 or higher is recommended as we will be in the sun all day). We will remind campers to re-apply sunscreen throughout the day!

NOTICE: Please do not send your child to camp with electronic equipment such as phones, i-pods, or video games unless you are sure they can handle the responsibility. We will not be responsible for any electronics that are lost or broken.
